

## The Community's Own

Our Service is thankful for the generous support we receive from our local communities who donate funds and time to ensure the quality, reliability and sustainability of our aeromedical rescue operations. These funds are held in trust for our community and that's why we've long been known as the 'Community's Own' Rescue Helicopter. The Service has been shaped by our local communities, for our local communities.

## What Next

To join up to this program and start supporting us you just need to complete a Rent 4 Rescue - Landlord Donations Program sign-up form giving your property manager or real estate agent approval to deduct your monthly donation as directed and set by you.

If you would like more information about the program, how it works or how your donation will help the Service please contact us on **1800 155 155** and ask to speak to your local Regional Partnerships Officer or complete the sign up form and provide this to your real estate agent or property manager.

## RENT 4 RESCUE

LANDLORD DONATIONS PROGRAM

An opportunity for landlords to support the Service and save local lives through a tax deductible donation from their weekly or monthly rent.

## The program

**Rent 4 Rescue - our Landlord Donations Program** provides an opportunity for landlords to donate a small amount from their monthly rental returns on their investment property or holiday rental to the Westpac Rescue Helicopter Service. This tax deductible donation will provide important funding for our life-saving Service, allowing us to plan ahead and invest in training and infrastructure to ensure we can continue to deliver the highest standard of aeromedical care when it is needed the most in our community.

## How it works

Your managing real estate agent or property manager will deduct the nominated donation amount as approved by you from your monthly rental income and send this to the Westpac Rescue Helicopter Service. You will see this donated amount on your weekly or monthly rental statement from your agent. At the end of each financial year the full donation amount will be reflected on your statement. This amount is fully tax deductible as it is a charitable donation. A few dollars from your weekly rental income, can help save local lives.

The Community's Own Westpac Rescue Helicopter Service proudly provides emergency aeromedical services 24-7 for the people of Northern NSW. Early intervention and stabilisation as well as rapid transport helps to save lives. The Westpac Rescue Helicopter is called to Pre-Hospital emergencies when patients are hard to access, their condition is time critical or if they cannot be accessed by ground based emergency services. Other missions include search, rescue and inter-hospital transfers. Our emergency missions are tasked by NSW Ambulance in response to Triple Zero (000) calls. Every life we save and every person we assist provides a reminder of the critical role we play within the Northern NSW emergency care chain.

## How You Can Help

Since 1975, the Westpac Rescue Helicopter Service has been there for our community. Your support is incredibly important and you can help by making a small tax deductible donation each month from your rental income.

I/We \_\_\_\_\_

Hereby authorise \_\_\_\_\_

to charge the amount of

☐\$5      ☐\$10      ☐\$20  
☐Other      ☐monthly / ☐fortnightly (please tick)

From the rental funds (Property Address) \_\_\_\_\_

and remit to the Westpac Rescue Helicopter Service (Northern NSW Helicopter Rescue Service Ltd).

This authority will take effect from my next rent cycle, and will continue until withdrawn by me in writing.
